AFFIDAVIT

I, Daniel Taylor, your affiant, being duly sworn, do depose and state as follows:

A. Identity and Experience of Affiant

1) Affiant is a Special Agent with the United States Department of Veterans Affairs, Office of Inspector General, Criminal Investigations Division (VA-OIG), assigned to the Houston Resident Agency and has been so employed for approximately 2 years. Prior to joining VA-OIG, I was a Special Agent for the United States Office of Personnel Management, Office of Inspector General, (OPM-OIG) for approximately 8 years. I have a total of approximately 16 years of state and federal law enforcement experience conducting interviews, issuing subpoenas, collecting evidence, and executing search and arrest warrants. I have maintained my education and training founded on the Louisiana State Police Academy and Federal Law Enforcement Training Center.

B. Purpose of the Affidavit

- 2) This affidavit is made in support of a complaint and arrest warrant for Mark Williams, Jr., DOB 07/21/1988, a resident of the Southern District of Texas
- 3) This affidavit does not contain all information gathered during this investigation but is being submitted for the limited purpose to establish probable cause to believe that the individual below has engaged in and continues to engage in criminal activity.
- 4) Based on the investigation and the information contained in this affidavit, there is probable cause to believe that Williams violated federal law, including making a threat using interstate communications, 18 U.S.C. § 875(c). This section makes it illegal to, among other things, transmit in interstate commerce any communication containing any threat to injure the person of another.
- 5) When a veteran calls the White House VA Hotline, their call is routed to the Martinsburg, WV VA Medical Center. Occasionally, overflow calls go to contractors such as the Bowen

AFFIDAVIT

Group located primarily in Shepherdstown, WV or a handful of representatives in Utah. Calls originating in Texas to the White House VA Hotline are clearly interstate communications.

C. Basis for Facts Contained in This Affidavit

- 6) The statements in this affidavit are based upon my investigation, information provided to me by other VA-OIG Agents, VA Police Service (VAPS), public source and business records, and my experience and background as a Special Agent.

D. Probable Cause of Violation of Interstate Communications

- 7) Beginning on or about July 21, 2021 VA-OIG received the first of multiple reports that Williams made threatening statements towards US Department of Veterans Affairs medical facilities and its staff. On July 21, 2021, Williams called the Lake Jackson VA Outpatient Clinic (LJOPC) from phone number (979)529-8615. LJOPC is located in the Southern District of Texas. Williams told an employee: "Since y'all want to fuck up my life, I'm going to come up there and fuck up your life." VAPS Officer Merlin Henry made contact with Williams at (979) 529-8615, who admitted to calling the LJOPC and claimed he was "having a bad morning."
- 8) Five days later on July 26, 2021 at 8:23pm, Williams called the White House VA Hotline, a recorded hotline managed by the Veterans Experience Office (VEO) using the same phone number. The VEO contracts call centers such as the Bowen Group in West Virginia, who received this call, to staff the hotline. During the call Williams, who is a US Army veteran, said, "I'm gonna make sure that these people think twice before they fuck with a veteran again...I'm willing to throw my life away... I will take my fucking belt off in the VA, and I will start hitting motherfuckers..." He continued: "I swear to God, I will fuck them all up... Are they gonna enjoy it when their buddies' blood is splattered on the fucking ground, 'cause that's where its coming to... I have the power... I will throw my own life away to bring justice... This isn't a fucking game, man..." On July 27, 2021 VAPS Det. Timothy Conger

AFFIDAVIT

interviewed Williams at telephone number (979)529-8615. Williams claimed the VA was driving him insane but that he did not have any real intentions of harming anyone at the VA.

- 9) On August 11, 2021, Williams called the White House VA Hotline again. During the conversation, which took place on a recorded line, Williams made the following comments about staff members at the LJOPC and Houston VA Medical Center (VAMC), which is also located in the Southern District of Texas:
 - a) "The more they abuse me, the closer I get. The more they hurt me, the closer I get. Somebody needs to be an adult and talk to me before somebody gets hurt...I'm a man. I'm not gonna take this shit. I don't give a shit how many guns show up."
 - b) "They put me literally in a position to just start killing people. And they wonder why people do that."
 - c) "I'm not gonna snap and then just like get shot. I'm gonna make sure that somebody goes with me."
 - d) "They are trying to provoke me, and they think that I'm gonna do something stupid to where I get shot or they throw me in jail. And no, I'm not. I'm gonna kill them first. Like, that's what it's come to...I can't stop it anymore."
 - e) "I am a threat to the people there now and to myself...All I know is, I've lost the ability to control myself, and I'm snapping."
 - f) "Somebody's about to get fucking killed. You know what I'm saying? Like, this is not a game."
- 10) Williams was interviewed by VAPS Officer Joseph White. Williams denied threatening the VA and said he wished to start "with a clean slate" at the VA.
- 11) The Veterans Crisis Line (VCL) is a free, confidential resource that's available to all veterans, even if not registered with VA or enrolled in VA health care. Qualified responders at the VCL are specially trained and experienced in helping veterans of all ages and circumstances. The VCL is not a recorded line.

AFFIDAVIT

- 12) On August 31, 2021, Williams called the VCL and expressed the desire to harm VAPS officers. Williams was angry that a behavioral flag had been placed on his profile at the VAMC due to his previous behavior and pattern of threats. The flag requires Williams to have a police escort while on VA property.
- 13) On September 3, 2021, Affiant attempted to locate and interview Williams, but was unsuccessful as Williams had recently moved out of his apartment. Later that evening, Williams texted the property manager of the RV Park where he was staying that he knew the VA was looking for him and he was going to kill himself. The property manager called the Brazoria County Sheriff's Office. A Brazoria County Sheriff's Deputy contacted and held Williams on the phone until the Fort Bend County Sheriff's Office arrived on scene. Fort Bend County Sheriff's Deputies transported Williams to the VAMC and admitted him to the mental health ward on a law enforcement emergency detention order. Upon discharge on September 8, 2021, Affiant interviewed Williams. Williams' demeanor was calm yet he verbally expressed deep discontent for the VA and its staff as he felt the VA keeps treating him like a child. Williams also believed the VA was following him around and ruining his life. Williams denied having access to firearms and said his comments on hurting VAPS officers was an effort to get attention.
- 14) On October 6, 2021 at 4:18am, Williams called the White House VA Hotline a third time. Williams threatened to kill himself and said that if he was going out, he was going to take someone with him. When interviewed by VA-OIG SA Michael Lombard on October 8, 2021, Williams said he wasn't on his medications, but he didn't have a gun and didn't intend to harm anyone at the VA.
- 15) On October 25, 2021 at 2:56am, Williams contacted the White House VA Hotline and made numerous threats towards the LJOPC in Brazoria County and VA personnel. During the call, which was recorded, Williams said, among other things:

AFFIDAVIT

- a) "I'm probably gonna go back to Brazoria County and I'm probably just gonna start killing people at this point."
 - b) "The VA got involved and I guess they thought they were just gonna fuck up my life, for the rest of my life, and I was just gonna just take that shit. I think I'm a go down there and I'm gonna fucking get me some fucking niggers, you know what I'm sayin? I'ma kill those mother fuckers. I'ma kill every last one of them mother fuckers that fucked up my life."
 - c) "I guess I'm supposed to just fucking kill myself.... But I'm still alive and I'm still very angry."
 - d) "They can throw me in jail or something and as soon as I get out, I'm going to get my justice."
 - e) "You tell me what the fuck I'm supposed to do other than drive back down to Brazoria county and just start killing mother fuckers." "I just got \$1600 from selling cars and I'm about to buy a gun, and I'm about to drive down there, and start shooting mother fuckers."
 - f) "I gonna come down there, and I'm gonna rape every last one of them niggers. I'm gonna kill every fucking nigger in the VA, god dammit."
 - g) "My truck, can ram through those front glass windows, those doors of the Lake Jackson VA. If I go full speed, I can ram through the glass and kill somebody at the reception desk at least."
 - h) "They know that I'm very suicidal. I don't have much will to live, but I will make sure that, that before I go, I take them out."
- 16) Williams consistently used a cell phone with the phone number (979) 529-8615 to contact the VA and VA Hotlines. VAPS Officers and VA-OIG Agents have also been able to contact Williams at the same number. Affiant and VAPS Det. Conger interviewed Williams in person on September 8, 2021 and VA-OIG Agent Lombard interviewed Williams via phone at (979)

AFFIDAVIT

529-8615 on October 8, 2021 and all can confirm Williams as the voice on the recorded call to the White House VA Hotline on October 25, 2021.

17) Williams has no fixed address. He lives in a camper trailer attached to his 2020 Chevrolet Silverado truck in the Missouri City, TX area. His last known campsite was at 15545 SH 6 S, Rosharon, TX on September 3, 2021. His vehicle with Texas plate NGL 4213 was last located near the Hwy 6 Truck 18 Wheeler RV Parking lot at 14701 Westpark Dr, Houston, TX, 77082 on September 29, 2021. The call Williams made on October 25, 2021 to the White House VA Hotline was answered at a call center located in Shepherdstown, WV by VA Contractor Bowen Group.

E. Conclusion

18) Based upon the above information, I believe probable cause exists that Williams has committed violations of federal law, including Threat by Interstate Communications, in violation of 18 U.S.C. § 875(c).

I declare under penalty of perjury that the foregoing is true and correct.
